BIRDS IN FLIGHT “GOING HOME”

Birds in Flight symbolizes the end of a Christian life.

One bird is shown leaving the flock and “going home” to his final reward. The three remaining birds continue their journey through life with peace of mind, knowing their lost loved one is now in God’s hands.

Gone Too Soon

When you were a baby, we rocked you on our knee,
Now we hold our hands up to thee.
You are gone, for what reason we'll never know,
Only that God called you and you had to go.
Chris, here is something that you should always know,
You are in a better place and our love for you
will never go.

We Love You.
